Fuel Surcharge

Except as otherwise specifically provided, all charges for line haul transportation will be subject to fuel surcharge as follows:

Fuel surcharge on net line haul charges will be determined by the U.S. National Average On-highway Diesel Price as provided by the U.S. Department of Energy (D.O.E.). Current On-highway Diesel Price may be obtained by calling 1-202-586-6966 (24 hours a Day) or can be found on the web at <http://tonto.eia.doe.gov/oog/info/gdu/gasdiesel.asp>.

The applicable fuel surcharge will be adjusted up or down on Tuesday of each week using the U.S. D.O.E. On-highway National Average Diesel Price announced on the previous Monday (or Tuesday if Monday is a Federal Holiday).

EXAMPLE: Diesel Price Index announced on Monday will be used to determine the Fuel Surcharge effective on Tuesday.
